In my first year as Supervisor I have had the opportunity to work with all of the departments on a day to day basis. The Town of Wheatfield residents are very fortunate to have such qualified and effective department heads.

With my 40+ years of experience working in various positions and departments in the town along with the current department heads, the transition to Supervisor has been seamless and very efficient. Together we have reduced spending in all areas. In fact, 2018 will be the first year in several where we will not have to tap into surplus funds. We are in the process of converting our street lights to LED lights which will save our residents money right from the start and an even greater savings at the end of our buy out period.

I still reflect back on my early days with the town's Recreation Department which consisted of a few pieces of equipment and a few men. The Recreation Department has developed into an efficient department which offers a wide variety of activities for residents of all ages. We have a beautiful Community/Senior Center that accommodates small and large functions. We have a very active senior program which offers numerous activities and includes travel opportunities. Our Youth Center also has many activities which includes a fantastic gymnasium for all kinds of fun activities, events and sports.

I encourage our residents to take advantage of the numerous activities offered through our Recreation Department. I look forward to serving our residents in the upcoming year.

Going into my 6th year as the leader of the Recreation Department, it is our goal to provide a wide range of recreational and leisure opportunities in an effort to enhance the quality of life and promote positive physical, social and emotion experiences for all Wheatfield Residents. In our effort to achieve this goal we will continue to provide safe, attractive and well maintained facilities.

We will create an environment that values, embraces, and enriches fair play and competition by providing programs, services and staffing that encourages the opportunity to develop both fundamentally and individually. Furthermore, in order to take our programs to the next level we will need your participation. Community involvement is critical for a successful 2019 in the Recreation Department.

Our staff is driven to execute these goals and I'm very proud of their hard work within the community. We encourage you to call Tracy (731-3942) for assistance in registration and programs; or Debbie (504-1273) for camp dates and Youth Center activities; or call Gail (694-8504) for our senior programs and Community Center room rentals.

Wheatfield Family Picnic

<http://wheatfield.ny.us/257/Wheatfield-Family-Picnic>

The 41st Annual Wheatfield Family Picnic is scheduled to be held at Fairmount Park again this year. As in the past, this year's picnic will provide a wide variety of food and fun for everyone, young and not so young. We offer the best car show in Town with over 100 cars each year. A diversity of entertainment will delight all, including a DJ, exhibits, live animals, and demonstrations. There will be BINGO as well as plenty of other games and activities for the youth of our community. Plan to attend the festivities along with your neighbors.

Community & Senior Center

The Wheatfield Community and Senior Center was designed to lend itself to a wide variety of uses. These currently range from the many smaller events such as regular meetings of the Wheatfield Seniors to play cards and games to larger scale events such as the senior dinner dances and the hugely popular annual tree lighting party.

Our Wheatfield Seniors meet every Friday from 9 a.m. to 12 p.m. to play various card games and socialize. The seniors also hold a monthly meeting on the last Friday of the month to conduct the business of the organization at which coffee, baked goods and pizza are served.

On other days of the week, various activities are offered and residents of all ages are welcome. The activities include bridge, line dancing, exercise programs, arts and crafts, bocce ball, shuffleboard and Wii bowling. You can visit the town's website at www.wheatfield.ny.us for a calendar and complete list of events and times.

We do rent the facility out for private functions such as: parties, showers, weddings, and meetings. If you would like any information regarding renting the Community Center, please contact the center at 694-8504, Tuesday through Friday, between 8:00am and 1:00pm. Fee Structure is on next page.

Come and join us at the Community Center where there is always fun and friendship. Here, you have the opportunity to enjoy a wide range of activities to help your well-being and make Wheatfield's Community & Senior Center a better place.
